## FULL ITINERARY

### DAY 1 - WELCOME TO KUALA LUMPUR

On arrival at Kuala Lumpur airport you will be met from the arrivals area and transferred to our hotel. Your Big Journey Company representative will introduce you to the rest of the tour group and brief you on plans for tomorrow.

### DAY 2 - BATU CAVES AND CITY TOUR

Today we will explore the spiritual Batu Caves. Here you can admire the beauty of the local area and encounter the mischievous monkeys looking to pick up treats from visitors. The caves are said to be around 400 million years old.

The Hindu temple sat at the top of 272 painted steps was added more recently, around 100 years ago and the 140ft golden statue of Lord Murugan at the foot of the staircase took 3 years to construct.

Before heading back to the hotel, we will go on a panoramic tour of the city taking in the Petronas Tower, the National Mosque, Merdeka Square and the Bird Garden.

**Included meals:** Breakfast, Lunch & Dinner

### DAY 3 - SANDAKAN

After breakfast we say farewell to Kuala Lumpur and head to the airport for our flight to Sandakan.

On arrival in Sandakan we go on a quick orientation tour to include Sandakan War Memorial and then on to Puu Jih Shih Temple, which is a Buddhist temple located at the hilltop of Tanah Merah with great views of Sandakan and Sandakan Bay.

Afterwards we check into our hotel for the evening.

**Included meals:** Breakfast, Lunch & Dinner

### DAY 4 - SEPILOK ORANGUTAN CENTRE, SUN BEAR CONSERVATION CENTRE AND LABUK BAY PROBOSCIS MONKEY SANCTUARY

Today we have a full day of wildlife tours. We can observe the feeding time at the Sepilok Orangutan Centre. The centre opened in 1964 as the first official orangutan rehabilitation project for rescued orangutans from across Borneo. There are now roughly 80 orangutans living at the centre. We can also see the world's smallest bear at Bornean Sun Bear Conservation Centre.

This research and conservation centre aims to improve animal welfare and provide rehabilitation for Sun Bears. They work to improve education about and habitat conservation for the Sun Bear.

We get the chance to see proboscis monkeys that are found only on Borneo. The potbellied and red-faced proboscis monkeys are named for their long bulbous noses, but once you have seen one you will spot its many remarkable features! You'll learn more about this animal with a visit to the Labuk Bay Proboscis Monkey Sanctuary, sited among local palm plantations.

After the tours we head back to the hotel for some time at leisure.

**Included meals:** Breakfast, Lunch & Dinner

### DAY 5 - SELINGAN ISLAND TURTLES

After checking out from the hotel, we transfer to the jetty for a boat ride to Selingan 'Turtle' Island. Selingan island is one of the most important nesting sites in South East Asia for Green and Hawksbill turtles. A lot of work has been put into making the beaches here a safehaven for turtles to lay their eggs and for the hatchlings to make it safely back into the sea.

You can spend the afternoon stretched out on the sandy white beaches, or swim and snorkel (snorkelling gear available to hire locally).

We will meet again in the evening for turtle watching on the beach - the possibility of seeing a mother turtle coming in from the emerald waters of the Sulu Sea and laying her eggs is highly probable at this time of year and we'll see new hatchlings scurrying down the beach for their first swim.

The accommodation here is basic, but it is the only accommodation on the island.

**Included meals:** Breakfast, Lunch & Dinner

## DAY 6 - AGNES KEITH MUSEUM, BILIT VILLAGE & KINABATANGAN RIVER

We check out early this morning to return by boat to Sandakan and begin our journey to Kota Kinabalu.

On the journey, we will visit the Agnes Keith House. Agnes Keith was an American author, who was best known for her autobiographical books about life in Borneo before, during and after the second World War. Her previous home has now been sympathetically restored and stands as an interesting insight into her life and into this period of Borneo's history.

We make a stop at the English Tea House for lunch before moving on to Bilit village. On arrival, we will head out on an afternoon river cruise to search for proboscis monkeys and the local birdlife that gather along the Kinabatangan River.

**Included meals:** Breakfast, Lunch & Dinner

## DAY 7 - BILIT WILDLIFE CRUISE AND TREK

We make a very early start to the day today to be up and out for a morning cruise to see the local birdlife and will return to the lodge for breakfast.

If you are feeling energetic after breakfast, there is an opportunity to take a guided jungle trek and learn more about the local riverine forest. The trek will return to the lodge in time for lunch. If you prefer a more restful morning, you may enjoy participating in batik painting at the river lodge.

In the afternoon there will be a second river cruise to see more wildlife from the boat.

**Included meals:** Breakfast, Lunch & Dinner

## DAY 8 - SABAH TEA FACTORY & KUNDASANG

After breakfast we continue our journey Kota Kinabalu which will include a stop at a Bornean foot spa.

We have our lunch en-route and continue overland to Sabah Tea. Have you ever wondered how the tea you drink has made its way into your tea cup? Will find out all about the process on a visit to a tea factory today. Sabah tea is only available in Borneo as they only produce enough to meet local demand.

We continue our drive to Kundasang, where on arrival, we check into our hotel.

**Included meals:** Breakfast, Lunch & Dinner

## DAY 9 - KUDASANG WAR MEMORIAL PARK, KINABALU NATIONAL PARK & NABALU MARKET

Today we start our day with a visit to Kundasang War Memorial Park. The park exhibits four different beautiful gardens – the Australia Garden, the English Garden, the Borneo Garden and the Contemplation Garden and Pool to represent the different nationalities.

We then continue on to Kinabalu National Park. Here we will go on an interesting guided walk through the botanical gardens in search of mountain plants and wild orchids. To reach Kota Kinabalu this evening we will pass through the scenic Crocker Range, stopping at Nabalul local market which is the best place to look for handicraft, souvenirs and also some local snacks.

The next few days we stay in Kota Kinabalu, Sabah's biggest city.

**Included meals:** Breakfast, Lunch & Dinner

## DAY 10 - LOCAL MARKET VISIT, UPSIDE-DOWN HOUSE, 3D MUSEUM

## & KAMPUNG NELAYAN

We will leave a bit later this morning - at around 10.00hrs, to visit to one of the local 'Tamu' open markets, where you can find local produce from the nearby villages and valleys such as tropical fruits, vegetables, Sabah fern, homemade traditional cakes, traditional homegrown tobacco, honey and of course fish.

We'll walk across a suspension bridge to see the forest from a different angle, before we continue to a famous 'Up-Side-Down' House & 3D Museum.

Everything inside the house, from furniture to household appliances, hover above your head, as the ceiling is actually the floor. The 3D museum is a fun way to engage visitors in thinking about the importance of protecting Borneo's unique biodiversity, ecosystem and natural resources.

After lunch we drop by Imago Shopping Mall or Filipino Market, where you have to chance to buy some souvenirs. By 17.00hrs, we visit Tanjung Aru beach to wait for the stunning sunset view.
